

Decoration Guidelines

November 1st through March 15th

- Winter wreaths and other artificial decorations are permitted during this time. All decorations, including wooden crosses, should not exceed 36" in height.
- Decorations with spikes or stakes are prohibited and will be removed immediately.
- During the winter months, live or artificial wreaths may be ordered through the cemeteries.
- We cannot be responsible for damage caused to bouquet holders due to use during the cold winter months.

March 16th through October 31st

- Only fresh flowers in proper bouquet holders are permitted during this time.
- Wilted flowers are removed every Tuesday. This allows us to have three days to cut the grass with the least amount of obstacles. Fresh flowers are not removed unless absolutely necessary.
- Artificial decorations are not permitted during the cutting season, with the exception of the special holidays listed below. If found, artificial decorations will be immediately removed by cemetery staff. Artificial decorations placed for a holiday will be collected the Tuesday following the holiday.
